

Phi Sigma Kappa Penn State

A Nod to Your Loyalty & Support in the New Year

Dear Brother <Last_Name>,

As we head into 2022, I'm writing to thank you for your gift and for the message it sends to our volunteers and to our active and alumni Brotherhood: you care about Phi Sigma Kappa.

Now, more than ever, this message matters. Why? If the last two years have taught us anything, it's that personal connections are critical. Virtual or in-person, staying in touch with our nearest and dearest friends gives our lives meaning—it can even improve our health and well-being. Phi Sigma Kappa has gifted us with these relationships and, together we should do all we can to make the most of them. That's the #1 reason this alumni program exists, thanks to donors like you.

I'm happy to include your name on our Honor Roll of Donors to date for this giving year, acknowledging your leadership and commitment. Like you, I believe Phi Sigma Kappa made a positive difference in my life, through character development, life skills and, most importantly, friendships.

I cherish the memories I made and look forward to making more. Thank you again for joining me in honoring the mission of the fraternity and its lifelong impact. I wish you health and happiness in the New Year and look forward to opportunities for our Brotherhood to connect and bond.

Fraternally,

Martin Barbato '79

President, The Phi Sigma Kappa Association - Kappa

P.S. As a generous donor, you are the foundation of our future—a future built on meaningful connections unique to the Phi Sigma Kappa Brotherhood. Your gift makes a difference by sustaining our friendships across time and distance and by paying it forward to new generations.
